My name is Crute, I was talking to you once in the "Polo Ground" concerning a best base ball player. Well he is in Iwo. Is. he home soon. In the meantime out here in Staten Island is a great unclaimed pitcher very good hitter. If you are interested please drop me a line or wire to my N.Y.C. address which I am enclosing. The prospect is Dave Jackson age 25, 5'11" in perfect shape. Can report any time in shape for your inspection or should I say interview. You should see this big pitch.
